

MALINI D

Full Stack Developer (.NET Core + React.js)
Chennai | +91 6383726649 | malini220402@gmail.com | Portfolio

PROFESSIONAL SUMMARY

Full Stack Developer with 1.9 years of experience designing and developing scalable web applications using .NET Core Web API, React.js, and SQL Server. Strong expertise in REST APIs, JWT authentication, database optimization, API integration, and IIS deployment. Passionate about writing clean, maintainable, and performance-driven code.

TECHNICAL SKILLS

- **Frontend:** JavaScript (ES6+), React.js, Redux, Axios, HTML5, CSS3
- **Backend:** C#, .NET Core Web API, Entity Framework Core
- **Database:** SQL Server, MySQL, Query Optimization
- **Tools:** Git, GitHub, Postman, Visual Studio, VS Code, SSMS
- **Concepts:** REST APIs, JWT Authentication, RBAC, AI-assisted development

PROFESSIONAL EXPERIENCE

Full Stack Developer

Vivify Technocrats, Chennai

Sep 2024 – Present

- Developed and maintained scalable REST APIs using .NET Core serving 100+ daily users.
- Built reusable and optimized React components improving UI responsiveness.
- Reduced API response time by 30% through SQL query and indexing optimization.
- Implemented JWT-based authentication and role-based access control.
- Integrated third-party services including payment gateway, email APIs, and WhatsApp message.
- Deployed and maintained applications on IIS server and handled production issues.

KEY PROJECTS

- **HR Management System (HRMS):** Designed and developed attendance, payroll, and leave management modules with secure authentication and workflow automation.
- **E-Commerce Platforms (Harisilks & Crackers):** Built product catalog, cart, checkout, order tracking, payment integration, and admin dashboard for sales monitoring.
- **Safety Training Platform:** Developed video-based training system with assessment modules and progress tracking.
- **Employee Reimbursement System:** Automated reimbursement approval workflow with document upload and reporting (ASP.NET Core + SQL Server).
- **Alaigal Business Communication App:** Developed referral tracking and business reporting mobile application.

KEY ACHIEVEMENTS

- Successfully resolved multiple critical production issues ensuring zero downtime and system stability.
- Completed high-priority and time-sensitive development tasks within strict deadlines.
- Reduced API response time by 30% through database query optimization and indexing.
- Delivered 5+ client projects within committed timelines.
- Automated HR workflows reducing manual operational effort by 40%.
- Provided L2 production support and handled urgent bug fixes within SLA.

EDUCATION

MCA – Valliammal College for Women, Chennai

CGPA: 8.8/10

2024

BCA – Theivanai Ammal College, Villupuram

CGPA: 7.5/10

2022

CERTIFICATIONS

Full Stack Development (Java) – Qspiders (2024)

Oracle Database Programming – JDNET Technologies (2020)
